Camp Activities

This program is intended for players may or may not already participate in a recreation league and want to receive extra training in a fun, camp-like environment. Each training session will focus on improving the individual player's skill and technique and is open to both boys and girls. Topics that will be covered throughout the program include: juggling, dribbling, receiving, passing, shooting among other skills by using small-sided games and activities in a fun way- we hope you will plan on joining us!

Please detach this section and return to your child's school (pre-registration) or at 1st day of camp.
